

rVetLink Portal Instructions

Say hello to more efficient communication between your practice and ours!

Refer patients quickly and easily 24/7 through our portal.

Share data between your practice and ours—such as medical records, laboratory results, and images.

Stay up-to-date on your patient's status with automated notifications about check-in, patient condition, treatment, and more.

Set notification preferences and choose your preferred method of communication.

Getting started is as easy as 1-2-3

How it works:

1

Access the portal at saguaro.rvetlink.com

Saguaro Vet Surgery has provided a user name and password for your practice to sign in via a **Welcome Email**. Please contact info@saguarovetsurgery.com if you need this reset.

2

To refer patients, simply follow prompts to enter key information.

- Referring veterinarian
- Practice, client, and/or patient
- Medical records, laboratory results, radiographs

3

Get notifications during your patient's visit at our facility.

- Check-ins/checkouts
- Medical notes
- Prescriptions
- Laboratory results
- Diagnoses

Efficient communication keeps the focus on **the health and well-being of our patients** and the families that love them.
